## Personal statement

---

A recent interactive multimedia design graduate with a 2:2 honours degree from the Ulster University, looking to secure a graduate web design position to use and further develop my coding skills and knowledge in an ever growing and fast-paced environment. My career goal is to assume the role in the business of web design and web development which will help me learn new skills and improve on what I have already learned to become a better developer

## Education

---

### Ulster University

(2013 – 2017)

2:2 BSc. (Honours) Interactive Multimedia Design

Key Skills gained:

- Understanding of coding languages such as HTML, CSS, PHP, JavaScript, jQuery and JSON.
- Understanding of front end and back end development of a web application.
- Leadership and communication skills with working in a team.
- Accomplished communication skills, both written and verbal, developed through numerous essays and presentations.
- Proficiency in all areas of Microsoft Office, including Access, Excel, Word and PowerPoint.

### Belfast Metropolitan College

(2009 – 2011)

HND:

- Interactive Multimedia

### Lagan College

(2005 – 2007)

A-levels:

- Drama – D
- History – E

### Lagan College

(2000 – 2005)

10 GCSEs, grade B-E including Maths and English

## Work Experience

---

**Bartender, Apartment Bar. Belfast.**

*(March 2008 – Present)*

I have been working in hospitality part-time and full-time for 9 years with Apartment Bar starting as floor staff then moving up to bar staff and became a senior and dependable member of staff. It has allowed to have skills in working in a team, working under pressure and being able to use my own initiative when working on my own to solve a problem.

**Sales Assistant, Easons. Belfast.**

*(November 2006 – January 2008)*

My first job which allowed me to learn about customer service and working in a team.

## Hobbies & Interests

---

For 12 years I was a member of the Boy's Brigade where I gained many award badges for courses and activities, as well as obtaining the Bronze Duke of Edinburgh award in 2005.
